EXECUTIVE MEMORANDUM

MEMO NO. 02-05

TO: The Honorable Brian K. Minaai  
Director of Transportation  
Department of Transportation

SUBJECT: Renaming H1 Freeway

Queen Lili'uokalani was the last reigning monarch of Hawai'i – a woman of courage, compassion, and great creativity. As a government and political leader she exhibited tremendous integrity and conviction, determined always to remain true to Hawai'i and her people. We honor Queen Lili'uokalani's legacy whenever we share aloha for one another and our land, when we act with integrity, fostering pride in our islands and heritage, and when we dedicate ourselves to the hope that is our children and our future.

Therefore to honor the Queen, the name of the primary Freeway H1 shall be named the "Queen Lili'uokalani Freeway." The Queen will always reside in a special place in the hearts of Hawai'i's people, and it is most fitting to offer her this tribute.

Your cooperation in implementing this change discussed above is appreciated.

BENJAMIN J. CAYETANO
